RE: Willingness to Service – Hotel & Transportation Committee Member

To: United Master Executive Council

Please accept this as my willingness to serve as Member of the Hotel and Transportation Committee.

My name is Jordan Grubbs, I am a Chicago based Flight Attendant. I started my career with United Airlines in 2018. Prior to United, I worked for the Department of Homeland Security – TSA & FEMA. While there, I was a proud member of the AFGE union and served on several committees from the Safety Advisory Council to the Employee Engagement Committee. I graduated from Eastern Kentucky University and hold a bachelor's degree in Homeland Security.

I have served on the Local Hotel & Transportation Committee since December 2019. I have attended Hotel and Transportation inspections, to gain a better understanding and become more familiar with the selection/inspection/resolution processes. In addition, I have met with current committee chair-person to discuss their roles and responsibilities. Also, in 2019 I became an Contract Negotiations Information Representative for the next contract. This will be the first contract, that I will participate in, therefore, I wanted to be part of the process and have accurate information to disseminate to the flight attendant population. Recently, I volunteered to be an AFA new hire buddy, guiding new flight attendants through their first year.

If given the opportunity to serve as Member of the Hotel and Transportation Committee, I will use my experience, education and dedication to ensure flight attendants have safe and clean lodging and transportation on layovers. While focusing on quiet properties with food availability. Ensuring these standards are met at all layovers to enhance the lives of our members. Expediently resolving any problems reported by members, while providing transparency.

Thank you for your consideration,  
Jordan Grubbs  
Council 8 Member

Ladies and Gentlemen of the United Master Executive Council:

I would like to officially send my willingness to serve as a MEC Hotel & Transportation committee member for the Flight Attendants.

I have been doing union work since 2016. I currently serve as a committee member on the MEC Hotel & Transportation committee. I have volunteered teaching CCS and Vacation bidding to anyone who needed it during the merger. I worked with, for, and currently have thoroughly enjoyed serving the Flight Attendants of United on the Hotel & Transportation committee. If reelected, I am committed to continuing to advocate, listen, and respond thoughtfully to the questions that are brought to me.

John Langwell

Sincerely,  
**Johnnie W Langwell,**

Members of the Master Executive Council:

Please accept this as my willingness to serve in the capacity of Member of the System Board of Adjustment for the term commencing August 1, 2022.

I currently hold and have fulfilled this position to the best of my abilities; not solely serving the Master Executive Council, but as an advocate to my fellow flight attendants. The System Board of Adjustment, being the final step in the adjudication of a dispute, is strengthened with the knowledge, support and expertise of the Union Board Member. It ensures the best outcome for any dispute as well as protection to contractual parameters. Representation and upholding the Collective Bargaining Agreement is and will continue to be the foundation and strength of our Union.

I am attaching my resume for your consideration and welcome any questions that you may have.
